Financial Aid Information and Policies

NAIMUN China 2018 will only be able to offer very limited aid to schools. Therefore, schools that can only attend under condition of receiving aid are encouraged to avoid paying for travel or hotel expenses until notified of the financial aid package. All schools will be notified of any aid by May 21, 2018.

Aid will be distributed at the end of the conference. To collect the aid from the Secretariat, all delegates in the delegation must attend ALL committee sessions and have no violation of any conference rules or regulations.

Please note that a reduction in the delegation size of a school that was awarded financial aid will result in the proportional reduction of the financial aid package.

Barring extraordinary circumstances, schools that apply for financial aid will have time (until June 1, 2018) to determine whether the aid given is sufficient. After that period, schools will forfeit their right to reclaim all conference fees. The refund policy for those schools will then revert to the normal refund policy as found in our Conference Policies.

By signing and submitting this document, you agree that all the information submitted is accurate and truthful for your school and delegation. Additionally, you understand the policies outlined above and the listed preconditions that must be met before receiving aid.
